**10:00 a.m. – 6:00 p.m.**

schlossORTH

## The International Danube Festival celebrates life in and around this great river as it flows from Germany to the Black Sea.

Expect a programme as varied and interesting as the DANUBEPARKS themselves – the Danube River Network of Protected Areas. Our National Park partner regions will be on hand to present their folklore, traditional arts & crafts and delicious culinary specialities.

Learn more about the protected areas along the Danube, the treasures to be found there, and the work being done to protect them.

Traditional music and dances from the Rumanian Danube Delta, guided tours, ranger shows, a creative children's programme and even a puzzle rally mean fun for all!

Taste the variety of different fish soups and other specialities from Danube regions and enjoy the culinary delights served by the schlossORTH Café.

**Admission per person: € 4. Children under 12 free!**

Our partner network of protected areas on the Danube: Danube Delta Biosphere Reserve, Persina Nature Park, Special Nature Reserve Gornje Podunavlje, Nature Park Kopacki Rit, Duna-Dráva National Park, Duna-Ipoly National Park, Slovakian Danube Wetlands, Danube Forest at Neuburg
